Your leather piece isn't just furniture, it's a statement. From that buttery-smooth lounge chair to the rich, rugged sofa that anchors your space, your leather deserves love. Here's how to keep it luxe, for the long haul:

EVERYDAY TLC (TENDER LEATHER CARE)

Beautifully unique. Happiest with care.

- Wipe with a dry, soft cloth (microfibre = your leather's best friend).
- Vacuum weekly using a soft brush attachment to remove dust and crumbs.
- Spills? Blot immediately with a clean, dry cloth, no rubbing!
- Keep away from direct sunlight, heaters and air vents to avoid drying out the leather.

HYDRATION IS KEY

Keep it smooth, keep it hydrated.

- Condition every 6 months with a leather-specific conditioner.
- Rub gently in a circular motion, think spa treatment, not car wax.
- Buff softly with a dry cloth for that smooth, rich glow.

THINGS TO AVOID

Your leather has boundaries, respect them.

- No bleach, ammonia, or alcohol-based cleaners.
- No saddle soap or baby wipes.
- No soaking or steam.
- No scrubbing. Leather is delicate, not dirty.

Note: Structube does not endorse any specific leather cleaning or conditioning products. Always use cleaners and conditioners made for genuine leather and, when in doubt, consult a leather care professional.

LET IT BE UNIQUE

Structube uses real leather, top or full-grain, and sometimes even beautiful pull-up leather. That means:

- Natural tone and grain variation.
- Visible stretch marks or scars.
- A patina that only gets better with time.

Not flaws, just personality.

PRO TIPS FOR LEATHER THAT LASTS

A little care for years of style and comfort.

- Rotate cushions for even wear.
- Keep claws trimmed (pets and shoes!)
- Keep away from sharp objects or bag buckles.
- Mind the menu: avoid enjoying messy foods on your leather to prevent stubborn stains.
- If in doubt, leave it to the pros. Ask us or consult a professional leather cleaner.

LOVE IT AS IT LOVES YOU

Your leather sofa is more than a place to sit, it's a vibe. With a little care, it'll be with you for seasons of style and comfort.

Thank you for making Structube part of your home!
